**Scripture Reference: Genesis 25:19-34 (NLT)**

**Jacob & Esau- the story of two brothers**

**History**

**How do we fall off course?**

Most of us don't **choose** to have our lives fall apart, we simply get **distracted**.

1. He was distracted by his **passion** and lost sight of his **purpose**.
2. He was distracted by **opinions** and missed **opportunities**.
3. He was distracted by his **immediate wants** instead of seeing the **long-term gain**.

**How to get back on course?**

1. **Own it!**
  - You can only **change** what you are willing to own.
  - Change what you can and **accept** what you can't.
2. Live into our new **identity**. Gen. 32:23-32, Eph. 4:24, 1 Peter 2:9
3. Take your first **step**.

**Where do we get our **value**?**

- Our value must come from the **cross**. 1 Cor. 6:20, Gal. 3:13
- Our value isn't found in **who** we are but in **whose** we are.
