

## **LIFE GROUPS ANNUAL CANDY COMPETITION**

*October 2020*

Back by popular demand we are going to be doing a Candy Competition amongst the Life Groups. This year we are making a couple rule changes, see the bullet points below.

The cut-off date for the competition is October 28. This is a hard date. Any candy received after that day will be appreciated but will NOT count to the group's totals!

### **RULES**

- Only group members can contribute to your group totals. People who are not actively in your group as a participant cannot donate towards your totals.
- The competition is total weight brought in by the group.
- This must be an active Life Group, not a ministry. Sorry Classics. We will happily track Classics as a whole but they as a whole won't be in the competition.
- Only the group with the most candy will win! Last year we did a runner up. This year there is no second place besides a big "Thank You".
- The prize is a full catered meal for your Life Group prepared by Pastor Justin and Pastor Cheryl. Yes, Justin was a chef and yes Cheryl's desserts are amazing!
- All candy can be brought to the office during regular office hours, or to the Wednesday night service. Please be sure you have the group leaders name when dropping off candy. If the person forgets to get it tracked, it won't count.
- The deadline for the competition is October 28 at 4pm! This is a firm date.
- I will send weekly updates on amounts with the Life Group notes each week.

I know many of you are super competitive and this is always a lot of fun. I can promise the meal will knock your socks off! Blessings to each of you!

Living in the overflow,

Cheryl Bangs,  
Executive Pastor  
Life Groups Pastor
