

Dear Friend,

You are so VALUABLE to Heights Church and to God's heart for this city. YOU ARE ONE of the people who make it possible for others to experience God through Heights Church. Literally, we do not exist if not for you.

This last year we have seen an additional, incredible flood of 200+ people attending our weekend gatherings as they are coming hungry to Christ and His church. In our day and age, in our city and state, this is nothing short of miraculous. Truly, we are experiencing something incredible as we recognize we have doubled in size in the last four years.

Without question your generosity is making it possible for the message of hope to resound through Heights Church. With all this exciting news, we of course recognize another reality: our growth has outpaced our giving, which is why your commitment to generosity is so meaningful. Many of us have kept the commitments to our UNITED initiative made in the spring of 2024, and those have truly sustained us. But we have experienced a shortfall of about \$75,000 over the summer that we need to make up by the end of the year. Along with covering that deficit, we hope to raise an additional \$50,000 to put towards much needed end-of-year projects:

- Deferred maintenance issues such as multiple air conditioner units that continue to fail and are limping along. We hope to avoid the "Summer of Heat Stroke" in summer of 2025 when the heat returns. We are making light of it, but in all seriousness, when they fail we do not have the resources to repair or replace them.

Will you help Heights Church end the year strong?

Here is how we can do it:

1. Those currently giving consistently—remain faithful. You have carried us.
2. Those not giving regularly—make a monthly commitment and offer it consistently.
3. Those who do not give—pray about how much you will give and be consistent.
4. As the year closes, please take into consideration that a one-time, year-end tax deductible donation will help considerably.

We know there are many worthy causes, and many more of them can be taken on by Heights Church as together we give to the local church. The only people who give to the mission of God are the people of God. With our finances, let us together make known what is most important to us.

Thank you for your prayerful consideration,

Craig Sweeney, Lead Pastor
