

Here I Am

Remember that God is With You

Thread: Remember that God is with you.

Verses: I Samuel 14:1 – 23 NLT

1) Remember that God is with you.

2) Determine the Jesus-path forward.

3) Do what must be done.

Challenge:

-When you find yourself stressed, in the middle of the battle, do you remember that God is with you? Is your first response to go to God or an artificial stabilizer?

-What do you need to stop doing and what do you need to start doing to take the Jesus-path forward?
